

TRAINING ANNOUNCEMENT FOR LAW ENFORCEMENT

DATE: September 27-28, 2021

TIME: 8:30 a.m. - 4:30 p.m.

INSTRUCTORS: Team APC-Medina Tactical Dynamics

LOCATION: PACEM Solutions/PACEM Defense HOSTING ORGANIZATION
4700 Providence Road
Perry, Florida 32347

COURSE: Ballistic Shield Instructor Program

COST: \$375.00

The tactical shield can be a very effective tool for tactical teams as well as first responders utilizing during active shooter situations even though many agencies fail to understand the full potential of this versatile piece of equipment. This course will explore the many uses of the tactical shield allowing the Trainer as well as end-user to train in a variety of scenarios. The trainer will be able to select and develop techniques that will best work in their situations as well as teach concepts of entry work and movement operations with the shield. It is imperative that trainers understand the importance of good conditioning when utilizing this excellent tool. This program will cover a variety of shields such as the **AMI: Armor Mobility Shield**, **Foldlite CopShield**, Patriot 3 Series Shields, the former "Diamondback M.U.S.T. Shields," Baker BatShields, Pro-Tech Shields and many other shields available on the market today. It is recommended students bring their current shields available from their agency.

Equipment Required: Agency ballistic shield, 700 rds handgun (required), ballistic vest, eye protection, ear protection, BDU's or training uniform as per department policy, hydration drinks, meal bars, notebook, pen, **Rifle or Sub Gun (optional for familiarization) 100 rds
