

SUPERVISION DURING A USE OF FORCE EVENT

This course is designed for all LEO, Corrections, Detention, and various Security professionals to include Certified Instructors, Shift supervisors, or a key staff member that leads and trains other staff members for their agency. This as a scenario-based training event with students interacting. Our PACEM Instructor Team consists of all high liability criminal justice instructors, (CJSTC).

This course is dedicated to reducing liability at your correctional facility through unnecessary Uses of Force, and allegations of misconduct, due to staff members being inexperienced or having lack of training. This training is in-tune with the national dialogue regarding the Use of Force. This is an 20-hour course, split into 2x (10) hour days. All equipment/lesson plans are provided for you to include a manual to take home/refresh yourself and your agency's staff members, PACEM will also provide you a USB pen with all UOF documentation. Graduation ceremony will be conducted at the completion of this course, which your department(s), and family are encouraged to attend.

The majority of the day (8 HOURS) will be spent actively engaged in the active Use of Force scenarios in the PACEM CELL block. Each scenario will focus on leadership opportunities during the use of force event.

Scenarios will include:

- **Single subject in – cell disturbance- original chemical agents**
- **Single subject suicide attempt- chemical agents**
- **Single subject who is violent but rapidly compliant- dayroom unrestrained**
- **Inmate on inmate fight**
- **Restrained escort**
- **“man down”- staff assault**

The course is hosted in Perry, FL at our PACEM Training and Range Complex. Overnight accommodations are included in the cost of this course.
