

AR-15/M16 Armorer Course

October 10-12, 2022 9AM to 5PM

*****THERE ARE ONLY 20 SLOTS FOR THIS CLASS*****

Course Overview

This armorer course for the AR-15/M-16 is a 3-day course is designed for the professional who wants the designation of AR-15/M-16 armorer – it covers the AR-15/M-16 platforms and provides instruction on how to diagnose and repair malfunctions, perform function inspections, check headspace and more. Armorer training classes are a mixture of classroom instruction and hands-on exercises, enabling each student to achieve a high degree of proficiency with the topics covered. Graduates will be issued a three-year certification and receive one-on-one phone and/or email support.

The Student will be instructed on the following categories listed:

Student will learn how to inspect, diagnose and repair all authorized repairs on the AR-15 Family series rifle. Additionally, students must be able demonstrate the knowledge required to inspect, maintain and reconfigure the AR-15 series rifle.

Equipment Needed:

Instructor provides rifles, gauges and specialty tools, training materials via USB device.

Instructors:

Our instructor is CJSTC Certified, has been an armorer for numerous federal agencies and is currently the Division Armorer for the Florida Highway Patrol.
