

## LESS LETHAL INSTRUCTOR COURSE

This instructor level course covers the entire line of munitions manufactured by ALS - Pacem Defense. Upon graduation, students will be certified to train others within their department as end users in the deployment and use of OC aerosols, kinetic energy impact projectiles, chemical agents, noise/flash diversionary devices and stun munitions.

### CONCEPTS & SKILLS:

|                                   |                     |                          |
|-----------------------------------|---------------------|--------------------------|
| History of Less-Lethal Munitions  | Legal Issues        | Chemical Agents          |
| 12 gauge, 37MM & 40MM Launchers   | Stun Munitions      | Diversionsary Devices    |
| Use of Force Reporting Procedures | Range Safety        | Research & Trauma        |
| Direct & Indirect Munitions       | Deploying Munitions | Instructional Techniques |
| Technological Advancements        |                     |                          |

### EQUIPMENT NEEDED:

\*Eye & Ear Protection   \*Pen & Paper   \*Gas Mask w/ appropriate filter   \*Foul Weather Gear  
\*Gloves (leather, nomex, kevlar or a combination)   \*Glasses (if you wear contacts)  
\*Towel and/or change of clothes (for OC contamination & CS exposure drills)  
\*Hydration source   \*Sunscreen-suggested   \*State/Government ID-suggested  
\*\*ALS will provide all weapons, munitions and training/instructor material to each student.

### Class Schedule: Tuesday July 13, 2021 Thru Thursday, July 15, 2021

AM portion will be a Power Point presentation in a classroom. PM will be hands on & deploying munitions conducted at the range (or suitable area).

Day One: **Begin @ 9:00AM** - OC Aerosols & **Level 1 OC exposure is not required** but will be available if the student wishes at the end of the day. Chemical Agents & CS Exposure Drill (exposure to CS is simply breaking seal and clearing mask properly. It is not required.)

Day Two: **Begin @ 9:00AM** – Specialty Impact Munitions.

Day Three: **Begin @ 9:00AM** – Noise Flash Diversionsary Devices.

### Hosted by

FBOP FCC Pollock  
1000 Airbase Road  
Pollock, LA 71467

### Cost:

New to ALS Certification- \$795  
ALS Re-certification- \$595

**LAST DAY TO REGISTER IS June 11, 2021 (call if you miss the cutoff date). Any cancellation must be received 30 calendar days prior to the class start date. Any cancellation after this period will incur the full cost of the registration, unless otherwise approved by ALS/PACEM Defense.**
